

Knowing *Christ*

Lessons from Paul's
Life and Ministry

Complete in Christ
Colossians 4:2-18
Lesson 21

The first step in mining for gold is getting the lay of the land. **Carefully observe the text** looking for clues to see where you might dig to find hidden treasure laying just under the surface. First, read the whole passage in context. Pay attention to the paragraph breaks to gain the whole thought, as it relates to the whole text. Are there words that lead you to look before or after the passage to gain the full context? There is a saying, "Whenever you see the word 'therefore' look to see what it is there... for." The word "and" tells us that something else goes with it, maybe to show contrast, or similarities, or even a series. Repeated words or phrases, help us discover the main thought of the author. The text will speak for itself, be careful not to read in your own assumptions. The bible interprets itself, so if you ask a question of it, the answer will be found within the pages of scripture.

Pray and ask the Holy Spirit to highlight words or thoughts to you as you begin to carefully read the text over several times. Reading it in different translations helps you gain more insight. Use the text provided in the lesson as a worksheet. **Mark the text** in whatever way that helps you the most. Colored pencils are helpful, looking up words in dictionaries, or cross-references help you gain further insight and fill in the details. Read thoughtfully and prayerfully and see what the Lord wants to show you. Each week will be an exciting journey as you place your feet in the imprints that Paul left us on his journey to *knowing Christ* more intimately.

Lesson Text

Col 4:2-4

Continue earnestly in prayer, being vigilant in it with thanksgiving; 3 meanwhile praying also for us, that God would open to us a door for the word, to speak the mystery of Christ, for which I am also in chains, 4 that I may make it manifest, as I ought to speak.

Col 4:5-6

5 Walk in wisdom toward those who are outside, redeeming the time. 6 Let your speech always be with grace, seasoned with salt, that you may know how you ought to answer each one.

Col 4:7-18

7 Tychicus, a beloved brother, faithful minister, and fellow servant in the Lord, will tell you all the news about me. 8 I am sending him to you for this very purpose, that he may know your circumstances and comfort your hearts, 9 with Onesimus, a faithful and beloved brother, who is one of you. They will make known to you all things which are happening here.

10 Aristarchus my fellow prisoner greets you, with Mark the cousin of Barnabas (about whom you received instructions: if he comes to you, welcome him), 11 and Jesus who is called Justus. These are my only fellow workers for the kingdom of God who are of the circumcision; they have proved to be a comfort to me.

12 Epaphras, who is one of you, a bondservant of Christ, greets you, always laboring fervently for you in prayers, that you may stand perfect and complete in all the will of God. 13 For I bear him witness that he has a great zeal for you, and those who are in Laodicea, and those in Hierapolis. 14 Luke the beloved physician and Demas greet you. 15 Greet the brethren who are in Laodicea, and Nymphas and the church that is in his house.

16 Now when this epistle is read among you, see that it is read also in the church of the Laodiceans, and that you likewise read the epistle from Laodicea. **17** And say to Archippus, "Take heed to the ministry which you have received in the Lord, that you may fulfill it." **18** This salutation by my own hand — Paul. Remember my chains. Grace be with you. Amen.

Boiling it Down - What does it mean?

Now is the time to boil down what you have found. What lessons can you draw from what you have seen. There may be multiple lessons, **state each in a simple sentence.**

What LESSONS can I draw from my observations?

Refined as Gold - How can I apply it?

What steps do I need to take to APPLY each lesson? Your applications should suggest a course of action. **Record an application for each lesson.**

Challenge: Use your cross-references to find correlating scripture that backs up your lessons.

Storing up Your Treasure . . .

Checking for Clarity: See if you can boil down the meaning of **each section** in one or two words. This helps you fully understand what author is trying to convey. (It's fun to alliterate if you want to try) Did you catch his vision?
